

Experience the Power of the Pen Tablet PCs

STYLISTIC ST6012 - The ideal mobile solution for indoors and outdoors

The STYLISTIC ST6012 is the perfect companion for indoor and outdoor work and was specially developed for use when standing or walking. The device weighs only 1.6 kg, is very easy to carry and comes in a semi-ruggedized design while the transmissive 12.1-inch TFT WXGA display offers best image quality. The support for pen-based functions helps you carry out your work anywhere and to present it convincingly.

LIFEBOOK T1010 - Style in rotation

The LIFEBOOK T1010 combines style and functionality. The brilliant 13.3-inch TFT display with passive digitizer guarantees comfortable working whatever the application is. Enjoy the advantages of flexible pen-based entries, such as automatic handwriting recognition and many other special features that only a Convertible Notebook can offer. Special covers ensure that not only your presentations look unique but also your LIFEBOOK T1010. Integrated WLAN and Bluetooth give you the freedom you need for effective and efficient working.

LIFEBOOK T5010 - Your ultimate mobile meeting tool

The LIFEBOOK T5010 is a slim lightweight Convertible Notebook with a modular bay. The brilliant 13.3-inch TFT display with active digitizer guarantees comfortable working whatever the application is. Enjoy the advantages of flexible pen-based entries, such as automatic handwriting recognition and many other special features that only a Convertible Notebook can offer. The integrated UMTS gives you the freedom to work wherever you want.
